**RE: FILING PROCEDURES FOR COMPLIANCE WITH THE  
PROVISIONS OF THE TERRORISM RISK INSURANCE  
PROGRAM REAUTHORIZATION ACT OF 2007**

**DATE: JANUARY 16, 2008**

**Background**

There has been much uncertainty in the markets for commercial lines of property and casualty insurance coverage in light of the substantial losses experienced by the industry on September 11, 2001. Soon after these tragic events, many reinsurers announced that they did not intend to provide coverage for acts of terrorism in future reinsurance contracts. This led to a concerted effort on behalf of all interested parties to seek a temporary federal backstop to calm market fears over future terrorist attacks and the ability of the insurance industry to allocate capital to provide coverage for these unpredictable and potentially catastrophic events. As a result, in November 2002 Congress enacted and the President signed into law the Terrorism Risk Insurance Act of 2002 (TRIA). This federal law provides a federal backstop for defined acts of terrorism and imposes certain obligations on insurers. TRIA was extended for a two-year period covering Program Years 2006 and 2007. TRIA has now been extended for an additional seven years through December 31, 2014 with the enactment of the Terrorism Risk Insurance Program Reauthorization Act of 2007 (TRIA reauthorization).<sup>1</sup>

<sup>1</sup> Bulletin No. 08-07 contains copyrighted material from a NAIC Model Bulletin adopted December 19, 2007.

Several provisions of the initial TRIA have changed in the 2007 TRIA reauthorization. Those changes include:

- Revising the definition of a certified act of terrorism to eliminate the requirement that the individual(s) are acting on behalf of any foreign person or foreign interest.
- Extending the program through December 31, 2014.
- Requiring clear and conspicuous notice to policyholders of the existence of the \$100,000,000,000 cap.
- Fixing the insurer deductible at 20% of an insurer's direct earned premium, and the federal share of compensation at 85% of insured losses that exceed insurer deductibles.
- Fixing the program trigger at \$100,000,000 for all additional program years.
- Requiring the U.S. Treasury to promulgate regulations for determining pro-rata shares of insured losses under the program when insured losses exceed \$100,000,000,000.
- Requiring the Comptroller General to study the availability and affordability of insurance coverage for losses caused by terrorist attacks involving nuclear, biological, chemical, or radiological materials and issue a report not later than one year after the enactment of the Terrorism Risk Insurance Program Reauthorization Act of 2007.
- Requiring the Comptroller General to determine whether there are specific markets in the United States where there are unique capacity constraints on the amount of terrorism insurance available and issue a report not later than 180 days after the enactment of the Terrorism Risk Insurance Program Reauthorization Act of 2007.
- Requiring the Working Group on Financial Markets established by the President to continue an ongoing study of the long-term availability and affordability of terrorism risk insurance.
- Accelerating the timing of the mandatory recoupment of the federal share through surcharges to policyholders.

Other terms of TRIA as amended and extended by the Terrorism Risk Insurance Extension Act of 2005, remain unchanged.

The intent of Bulletin No. 08-07 is to advise insurers of certain provisions of TRIA, as extended and reauthorized, that may require insurers to submit a filing in this state of the disclosure notices, policy language and the applicable rates as a result of TRIA.

### **Definition of Act of Terrorism**

One of the changes made to TRIA with the enactment of the Terrorism Risk Insurance Program Reauthorization Act of 2007 was a revision to the definition of an act of terrorism that eliminated the requirement that an individual or individuals that carry out an act of terrorism be acting on behalf of a foreign person or foreign

interest. In short, this means that acts formerly referred to as “domestic” terrorism may now be certified as an act of terrorism under TRIA.

Section 102(1) defines an *act of terrorism* for purposes of TRIA. Please note that the unmodified reference to “the Secretary” refers to the Secretary of the Treasury. The revised Section 102(1)(A) states, “The term ‘act of terrorism’ means any act that is certified by the Secretary, in concurrence with the Secretary of State, and the Attorney General of the United States—(i) to be an act of terrorism; (ii) to be a violent act or an act that is dangerous to—(I) human life; (II) property; or (III) infrastructure; (iii) to have resulted in damage within the United States, or outside the United States in the case of—(I) an air carrier or vessel described in paragraph (5)(B); or (II) the premises of a United States mission; and (iv) to have been committed by an individual or individuals, as part of an effort to coerce the civilian population of the United States or to influence the policy or affect the conduct of the United States Government by coercion.” Section 102(1)(B) states, “No act shall be certified by the Secretary as an act of terrorism if—(i) the act is committed as part of the course of a war declared by the Congress, except that this clause shall not apply with respect to any coverage for workers’ compensation; or (ii) property and casualty insurance losses resulting from the act, in the aggregate, do not exceed \$5,000,000.” Section 102(1)(C) and (D) specify that the determinations are final and not subject to judicial review and that the Secretary of the Treasury cannot delegate the determination to anyone.

The Terrorism Risk Insurance Extension Act of 2005 contains in Section 103(1)(B) a program trigger of \$100 million in aggregate industry insured losses resulting from a certified act of terrorism before federal reimbursement is triggered.

This state will not allow exclusions of coverage for acts of terrorism that fail to be *certified losses* solely because they fall below the \$5,000,000 threshold in Section 102(1)(B) on any policy that provides coverage for acts of terrorism that fail to be *certified*. Insurers required to file policy forms may submit language containing coverage limitations for *certified losses* that exceed \$100 billion in the aggregate.

### **Submission of Rates, Policy Form Language and Disclosure Notices**

If an insurer relies on an advisory organization to file loss costs and related rating systems on its behalf, no rate filing is required unless an insurer plans to use a different loss cost multiplier than is currently on file to provide coverage for *certified losses*. Insurers that develop and file rates independently may choose to maintain their currently filed rates or submit a new filing. The rate filing should provide sufficient information for the reviewer to determine what price would be charged to a business seeking to cover *certified losses*. This state will accept filings that contain a specified percentage of the premium to provide coverage for *certified losses*.

Insurers may also choose to use rating plans that take into account other factors such as geography, building profile, proximity to target risks and other reasonable rating factors. The insurer should state in the filing the basis that it has for selection of the rates and rating systems that it chooses to apply. The supporting documentation should be sufficient for the reviewer to determine if the rates are excessive, inadequate or unfairly discriminatory.

Insurers subject to policy form regulation shall submit the policy language that they intend to use in this state. The policy should define *acts of terrorism* in a manner that is consistent with TRIA, as amended and reauthorized, state law and the guidance provided in Bulletin No. 08-07. The definitions, terms and conditions should be complete and accurately describe the coverage that will be provided in the policy. Insurers may conclude that current filings are in compliance with TRIA, as amended and reauthorized, state law and the requirements of Bulletin No. 08-07. However, if policy forms make a distinction between acts of a foreign person or foreign interest and a domestic person or domestic interest, a filing is required.

Another change introduced in the Terrorism Risk Insurance Program Reauthorization Act of 2007 is a new disclosure requirement for any policy issued after the enactment of TRIA. Specifically, in addition to other disclosure requirements previously contained in TRIA, insurers must now also provide clear and conspicuous disclosure to the policyholder of the existence of the \$100,000,000,000 cap under Section 103(e)(2), at the time of offer, purchase and renewal of the policy.

As Commissioner of Insurance, I request that the disclosure notices be filed for informational purposes, along with the policy forms, rates and rating systems as they are an integral part of the process for notification of policyholders in this state and should be clear and not misleading to business owners in this state. The disclosures should comply with the requirements of TRIA, as amended and reauthorized, and should be consistent with the policy language and rates filed by the insurer.

Given that the provisions of the Terrorism Risk Insurance Program Reauthorization Act of 2007 are already in effect, and insurers and advisory organizations must accelerate filing activity in order to achieve compliance with the revised provisions of TRIA, this state will permit insurers and advisory organizations to place new rates, policy forms and disclosure notices into immediate use without receiving prior approval from the Commissioner of Insurance. However, nothing in Bulletin No. 08-07 shall be construed as establishing a rate or form filing review or approval requirement where one does not otherwise exist under this state's law. Policy language changes and related pricing for *non-certified losses* remain subject to current applicable state law and will be processed in an expedited manner.

If an insurer wants to take advantage of this voluntary speed to market initiative for revised terrorism insurance products, it should complete the attached EXPEDITED FILING TRANSMITTAL DOCUMENT FOR TERRORISM RISK INSURANCE FORMS AND PRICING, and certify on the form that the insurer is in compliance with the terms of the Terrorism Risk Insurance Program Reauthorization Act of 2007 and the laws of this state.

Completion of the EXPEDITED FILING TRANSMITTAL DOCUMENT FOR TERRORISM RISK INSURANCE FORMS AND PRICING form will also relieve an insurer from having to complete any other filing form or supplementary exhibit that is normally required to accompany filings.

This voluntary expedited filing system shall remain in place until April 1, 2008. If an insurer does not want to take advantage of the expedited filing system (or cannot file prior to April 1, 2008) then it must submit a normal filing, subject to regular filing requirements, including any prior approval or waiting period.

### **Optional Provision for Standard Fire Policy States**

For the purposes of commercial property and casualty insurance policies, the standard policy of fire insurance prescribed by Part XV of Title 22, Standard Fire Policy, shall not cover loss or damage caused, directly or indirectly, by terrorism, unless an endorsement specifically assuming coverage for damage caused by terrorism is attached to the policy. Insurers issuing commercial property and casualty insurance policies against the peril of fire and other perils permitted under LSA R.S. 22:691.H are hereby authorized to add to the policy by endorsement or include within the policy statement that the policy does not cover such loss.

### **Forms with Instructions**

Attached to Bulletin No. 08-07 is a uniform filing transmittal form that has been agreed upon by this state and other states. An insurer or advisory organization wishing to receive expedited treatment of its filing shall complete the EXPEDITED FILING TRANSMITTAL DOCUMENT FOR TERRORISM RISK INSURANCE FORMS AND PRICING as directed. In addition, an insurer or advisory organization submitting the filing shall certify that the filing is consistent with Bulletin No. 08-07, state law and the provisions of TRIA, as extended and reauthorized. Certification is made by signing the appropriate blank on the transmittal form. Filings for policy language changes and related pricing for *non-certified losses*, which remain subject to current applicable state law, may be made using the attached filing transmittal form. These filings will be processed in an expedited manner. The attached expedited filing transmittal document replaces all otherwise applicable filing forms and filing transmittal forms for these filings.

To be complete, an expedited filing must include the following:

1. A completed and certified EXPEDITED FILING TRANSMITTAL DOCUMENT FOR TERRORISM RISK INSURANCE FORMS AND PRICING for each insurer or advisory organization.
2. One copy of each policy form or endorsement that the insurer intends to use, unless the insurer has given an advisory organization authorization to file such policy forms on its behalf.
3. A copy of the rates and rating systems along with the supporting documentation.
4. A copy of any disclosure notices that will be used to convey information to policyholders in this state.
5. The appropriate form filing fees.
6. A postage-paid, self-addressed envelope large enough to accommodate the return, if filing is submitted by mail.

If this filing is for multiple companies, please provide a copy of the transmittal header for each company and an extra copy for return to the company.

**POLICYHOLDER DISCLOSURE  
NOTICE OF TERRORISM  
INSURANCE COVERAGE**

You are hereby notified that under the Terrorism Risk Insurance Act, as amended, that you have a right to purchase insurance coverage for losses resulting from acts of terrorism, *as defined in Section 102(1) of the Act*: The term "act of terrorism" means any act that is certified by the Secretary of the Treasury—in concurrence with the Secretary of State, and the Attorney General of the United States—to be an act of terrorism; to be a violent act or an act that is dangerous to human life, property, or infrastructure; to have resulted in damage within the United States, or outside the United States in the case of certain air carriers or vessels or the premises of a United States mission; and to have been committed by an individual or individuals as part of an effort to coerce the civilian population of the United States or to influence the policy or affect the conduct of the United States Government by coercion.

YOU SHOULD KNOW THAT WHERE COVERAGE IS PROVIDED BY THIS POLICY FOR LOSSES RESULTING FROM CERTIFIED ACTS OF TERRORISM, SUCH LOSSES MAY BE PARTIALLY REIMBURSED BY THE UNITED STATES GOVERNMENT UNDER A FORMULA ESTABLISHED BY FEDERAL LAW. HOWEVER, YOUR POLICY MAY CONTAIN OTHER EXCLUSIONS WHICH MIGHT AFFECT YOUR COVERAGE, SUCH AS AN EXCLUSION FOR NUCLEAR EVENTS. UNDER THE FORMULA, THE UNITED STATES GOVERNMENT GENERALLY REIMBURSES 85% OF COVERED TERRORISM LOSSES EXCEEDING THE STATUTORILY ESTABLISHED DEDUCTIBLE PAID BY THE INSURANCE COMPANY PROVIDING THE COVERAGE. THE PREMIUM CHARGED FOR THIS COVERAGE IS PROVIDED BELOW AND DOES NOT INCLUDE ANY CHARGES FOR THE PORTION OF LOSS THAT MAY BE COVERED BY THE FEDERAL GOVERNMENT UNDER THE ACT.

YOU SHOULD ALSO KNOW THAT THE TERRORISM RISK INSURANCE ACT, AS AMENDED, CONTAINS A \$100 BILLION CAP THAT LIMITS U.S. GOVERNMENT REIMBURSEMENT AS WELL AS INSURERS' LIABILITY FOR LOSSES RESULTING FROM CERTIFIED ACTS OF TERRORISM WHEN THE AMOUNT OF SUCH LOSSES IN ANY ONE CALENDAR YEAR EXCEEDS \$100 BILLION. IF THE AGGREGATE INSURED LOSSES FOR ALL INSURERS EXCEED \$100 BILLION, YOUR COVERAGE MAY BE REDUCED.

**POLICYHOLDER DISCLOSURE  
NOTICE OF TERRORISM  
INSURANCE COVERAGE**

Coverage for acts of terrorism is included in your policy. You are hereby notified that under the Terrorism Risk Insurance Act, as amended in 2007, the definition of act of terrorism has changed. As defined in Section 102(1) of the Act: The term "act of terrorism" means any act that is certified by the Secretary of the Treasury—in concurrence with the Secretary of State, and the Attorney General of the United States—to be an act of terrorism; to be a violent act or an act that is dangerous to human life, property, or infrastructure; to have resulted in damage within the United States, or outside the United States in the case of certain air carriers or vessels or the premises of a United States mission; and to have been committed by an individual or individuals as part of an effort to coerce the civilian population of the United States or to influence the policy or affect the conduct of the United States Government by coercion. Under your coverage, any losses resulting from certified acts of terrorism may be partially reimbursed by the United States Government under a formula established by the Terrorism Risk Insurance Act, as amended. However, your policy may contain other exclusions which might affect your coverage, such as an exclusion for nuclear events. Under the formula, the United States Government generally reimburses 85% of covered terrorism losses exceeding the statutorily established deductible paid by the insurance company providing the coverage. The Terrorism Risk Insurance Act, as amended, contains a \$100 billion cap that limits U.S. Government reimbursement as well as insurers' liability for losses resulting from certified acts of terrorism when the amount of such losses exceeds \$100 billion in any one calendar year. If the aggregate insured losses for all insurers exceed \$100 billion, your coverage may be reduced.

The portion of your annual premium that is attributable to coverage for acts of terrorism is \_\_\_\_\_, and does not include any charges for the portion of losses covered by the United States government under the Act.

I ACKNOWLEDGE THAT I HAVE BEEN NOTIFIED THAT UNDER THE TERRORISM RISK INSURANCE ACT, AS AMENDED, ANY LOSSES RESULTING FROM CERTIFIED ACTS OF TERRORISM UNDER MY POLICY COVERAGE MAY BE PARTIALLY REIMBURSED BY THE UNITED STATES GOVERNMENT, MAY BE SUBJECT TO A \$100 BILLION CAP THAT MAY REDUCE MY COVERAGE AND I HAVE BEEN NOTIFIED OF THE PORTION OF MY PREMIUM ATTRIBUTABLE TO SUCH COVERAGE.
