## Annual Actuarial Filing Requirements for Health Insurers

This year, the Louisiana Department of Insurance (LDI) is requiring electronic submissions of the annual statement filings for all insurance companies. Accordingly, the required actuarial documents must be emailed to [L.H.Actuarial@ldi.la.gov](mailto:L.H.Actuarial@ldi.la.gov).

For insurance companies that have in-force health policies, the required actuarial documents are:

- the Actuarial Opinion prepared by the Appointed Actuary,
- the Actuarial Memorandum supporting the Actuarial Opinion, with sufficient information to allow for independent verification of assumptions and methods, and
- if applicable, supporting documents referenced in the memorandum.

All submissions must be emailed no later than **May 1, 2025**.
